Entry into Securities Purchase Agreement

On May 18, 2026, Haoxi Health Technology Limited (the “**Company**”) entered into a Securities Purchase Agreement (the “**Purchase Agreement**”) with Mr. Zhen Fan (the “**Purchaser**”), the Company’s Chief Executive Officer and the chairman of the board of the directors (the “**Board**”), pursuant to which the Company agreed to issue and sell to the Purchaser, and the Purchaser agreed to purchase from the Company, 40,000,000 Class B ordinary shares of the Company, par value US\$0.0025 per share (the “**Shares**”), at a purchase price of US\$0.018 per share, for an aggregate purchase price of US\$720,000, subject to the terms and conditions set forth in the Purchase Agreement.

The purchase price per Share represents approximately 101.12% of the closing price of the Company’s Class A ordinary shares as reported on Nasdaq.com on May 18, 2026. The Company intends to use the net proceeds from the sale of the Shares for working capital and general corporate purposes.

The Shares are being offered and sold in reliance upon exemptions from the registration requirements of the Securities Act of 1933, as amended (the “**Securities Act**”), including Section 4(a)(2) of the Securities Act and/or Regulation S promulgated thereunder. The Shares have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

The Purchase Agreement contains customary representations, warranties, covenants, closing conditions and indemnification provisions of the Company and the Purchaser. The closing of the transaction is subject to the satisfaction or waiver of customary closing conditions set forth in the Purchase Agreement, including, among others, the delivery of the purchase price by the Purchaser and the issuance of the Shares by the Company.

The transaction contemplated by the Purchase Agreement constitutes a related-party transaction. On May 18, 2026, the audit committee of the Board (the “**Committee**”) reviewed the Purchase Agreement and the proposed issuance and sale of the Shares to the Purchaser, including potential conflicts of interest, and approved the Purchase Agreement and the transaction contemplated therein. The Committee determined that the issuance and sale of the Shares to the Purchaser for the aggregate purchase price of US\$720,000 is fair and reasonable to the Company and its shareholders and that the negotiations were conducted on an arm’s-length basis. The transaction contemplated by the Purchase Agreement is expected to close on or about May 19, 2026.

Immediately following the closing of the transaction contemplated by the Purchase Agreement, the Purchaser will beneficially own 40,690,800 Class B ordinary shares, representing approximately 83.83% of the aggregate voting power of the Company’s outstanding ordinary shares.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is furnished as Exhibit 10.1 to this Report on Form 6-K and incorporated herein by reference.

Any party entitled to indemnification under this Article VI (an "Indemnified Party") will give written notice to the indemnifying party of any matters giving rise to a claim for indemnification; provided, that the failure of any party entitled to indemnification hereunder to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Article VI except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any action, proceeding or claim is brought against an Indemnified Party in respect of which indemnification is sought hereunder, the indemnifying party shall be entitled to participate in and, unless in the reasonable judgment of the Indemnified Party a conflict of interest between it and the indemnifying party may exist with respect of such action, proceeding or claim, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. If the indemnifying party elects to defend any such action or claim, then the Indemnified Party shall be entitled to participate in such defense with counsel of its choice at its sole cost and expense. The indemnifying party shall not be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall be liable for any settlement if the indemnifying party is advised of the settlement but fails to respond to the settlement within thirty (30) days of receipt of such notification. Notwithstanding anything in this Article VI to the contrary, the indemnifying party shall not, without the Indemnified Party's prior written consent, settle or compromise any claim or consent to entry of any judgment in respect thereof which imposes any future obligation on the Indemnified Party or which does not include, as an unconditional term thereof, the giving by the claimant or the plaintiff to the Indemnified Party of a release from all liability in respect of such claim. The indemnification required by this Article VI shall be made by periodic payments of the amount thereof during the course of investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred, so long as the Indemnified Party irrevocably agrees to refund such moneys if it is ultimately determined by a court of competent jurisdiction that such party was not entitled to indemnification.
